Agenda

Larp diversity

I love French hip-hop

Homeopathic doses of hip-hop in larp

Afroasiatik, a possible gateway drug ?

Let's chat !

Start thinking

- 1) Your experience in crossing borders between larp and subcultures
- 2) How to get larpers to perform hip-hop acts and blend it with « regular » larp

Larp is so diverse

Diverse border-crossing themes

Gender, sex, madness, disease, death, prison,
nazism...

15+ years of KP diversity

Artists, educators, scholars, geeks

Folk music experts, metalheads, original film
soundtrack addicts, electro DJs, tango fans...

Larp is **not** diverse

In 15+ years of KP «diversity »

How many construction workers ?

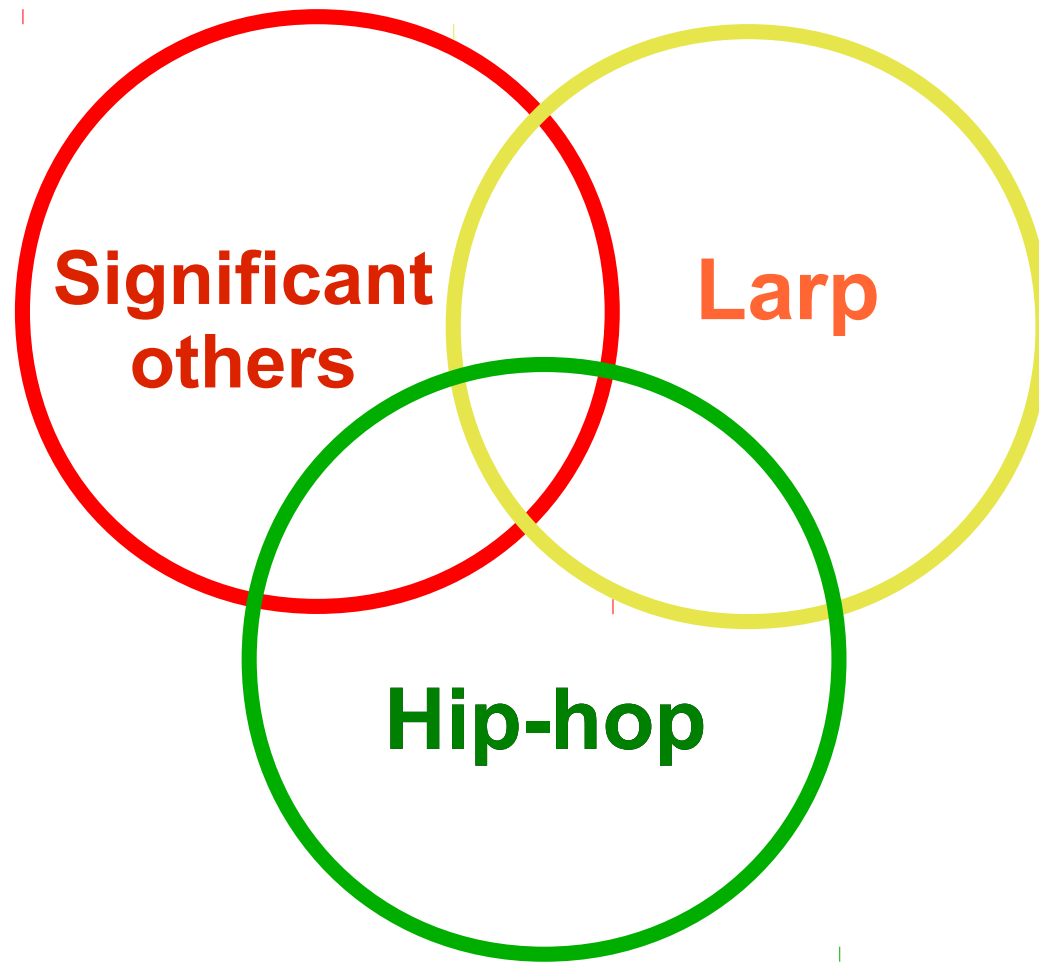

How many non-white people ?

How many muslims?

...

How many hip-hop larps?

A few personal sources of happiness / inspiration / personal growth

You already know about larp and about significant others

So let's cover 30+ years of French hip-hop

...in 3 minutes

[Note : the presentation switched to the following video clips]

First hip-hop TV show in the world was French (1984)

organizer**

**But there is still resistance
to full-on hip-hop larp**

**As I cannot be everyone's
significant other...**

...I attracted larpers with Asia

Would like to larp there ?

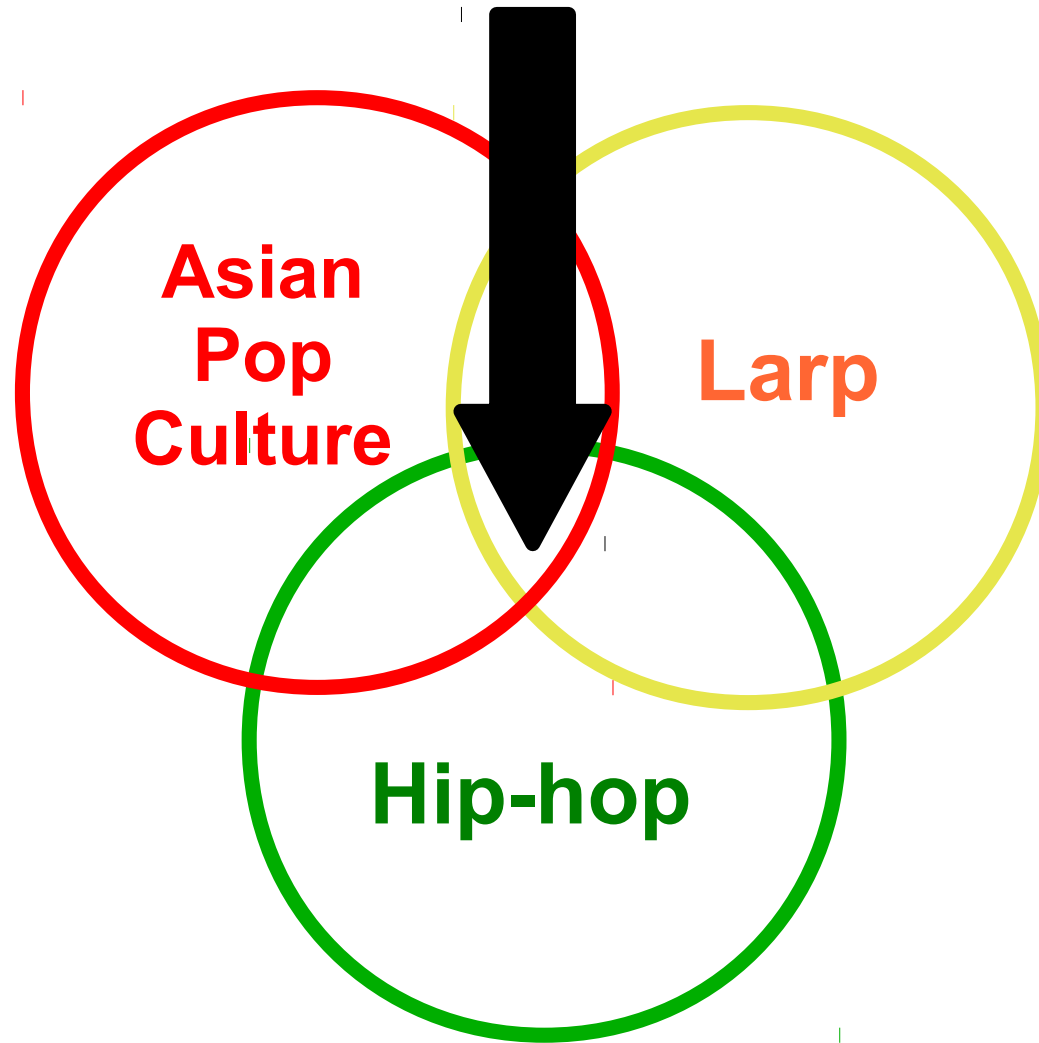

Game site : the zen garden in Aigle, Switzerland

Afroasiatik a kung-fu hip-hop larp

ASIA
TIK

The logo features the word 'ASIA' in large, colorful, bubbly letters (green, yellow, red, green) and 'TIK' in black, blocky letters below it. A small red square logo with a white symbol is located at the bottom right of the text.

How would **you** make it work from here ?

- 1) Your experience in crossing borders between larp and subcultures
- 2) How to get larpers to perform hip-hop acts and blend it with « regular » larp

Thanks for coming !
